

AvalonConnect *Technology Package*

We all know that technology creates a level of convenience in every aspect of our lives – especially in our homes. That's why we've created service offerings to help you stay connected, more secure, and comfortable. Our technology package, AvalonConnect, brings you what you need to live seamlessly and efficiently.

High-Speed WiFi

- Powered by Smartaira
 - Symmetrical internet speeds up to 500 Mbps download / upload wired connection
 - Upgrade to 1 Gig at any time
 - Simplified connectivity with no equipment installation needed
 - Each home equipped with wireless access point and wired outlets
 - Add DirecTV Stream any time
- Community-wide WiFi
 - Continuous WiFi access from your apartment throughout the community, including common areas, within coverage areas

Digital Resident Services

- Pay rent, submit requests, reserve amenities, and find important community information via your smartphone

Package Service

- Unique pin code for package lockers sent via email
- Convenient 24/7 access

Technology Package Pricing

\$57/month

The technology package is a **required resident program** and the monthly cost will be added to your rent statement. For questions or more information, contact our leasing team.

*Smartaira is the selected internet provider. Residents will be billed separately for any optional upgrades. Exact internet speeds may vary. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. AvalonConnect technology package pricing varies by location.
