

We all know that technology creates a level of convenience in every aspect of our lives – especially in our homes. That's why we've created service offerings to help you stay connected, more secure, and comfortable. Our internet offering, eavesConnect, brings you what you need to live seamlessly and efficiently.

## High-Speed Internet Access

eaves has partnered with AT&T to bring high-speed internet to all residents at our community and billed with your monthly rent statement, providing top quality service at a competitive cost.

- **Symmetrical speeds of up to 1 Gbps download/upload**
- **Add DirecTV Stream at any time**
- **\$55 per month, router included, and bundled with your monthly rent statement**
- **High-speed internet at a discount off retail\***

The technology package is an optional resident program.  
For questions or more information, contact our leasing team.

\*AT&T is the selected internet provider. Residents will be billed separately for any optional upgrades. Exact internet speeds may vary due to factors, such as device limitations and whether you're using a wired or wireless connection. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. AvalonConnect technology package pricing varies by location. The program and charge are optional for eligible residents. Contact a leasing associate for details and to confirm eligibility.
