Technology Package Pricing

\$55/month

\$96/month

The technology package is a required resident program and the monthly cost will be added to your rent statement. For questions or more information, contact our leasing team.

*Xfinity by Comcast is the selected internet provider. Residents will be billed separately for any optional upgrades. Exact internet speeds may vary due to factors, such as device limitations and whether you're using a wired or wireless connection. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. AvalonConnect technology package pricing varies by location.
