Connect+
Technology Package

We all know that technology creates a level of convenience in every aspect of our lives – especially in our homes. That's why we've created service offerings to help you stay connected, more secure, and comfortable. Our technology package, Connect+, brings you what you need to live seamlessly and efficiently.

High-Speed WiFi

- Powered by Single Digits
  - High-speed internet with speeds up to 940 Mbps download / 940 Mbps upload wired connection
  - Each home equipped with wireless access point and wired outlets
- Community-wide WiFi - continuous coverage from your apartment throughout the community including common area

Smart Access

- A streamlined full-building integrated access experience with a better way of unlocking doors through a mobile app or unique doorcode
- Easily share temporary access with friends, family, and service providers

Digital Resident Services

- Pay rent, submit requests, reserve amenities, and find important community information via your smartphone

Smart Thermostats

- Manage your home comfort system through one easy-to-use interface
- Customize alerts to monitor comfort and energy efficiency

Package Service

- Unique pin code for package lockers sent via email
- Convenient 24/7 access

Technology Package Pricing	$85/month

The technology package is a **required resident program** and the monthly cost will be added to your rent statement. For questions or more information, contact our leasing team.

*Single Digits is the selected internet provider. Exact internet speeds may vary due to factors, such as device limitations and whether you're using a wired or wireless connection. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. Connect+ technology package pricing varies by location.
