- Community-Wide WiFi
  - Continuous coverage from your apartment throughout the community, including common areas

## Smart Access

- A streamlined full-building integrated access experience with a better way of unlocking doors through a mobile app or unique doorcode
- Easily share temporary access with friends, family, and service providers

## Digital Resident Services

- Pay rent, submit requests, reserve amenities, and find important community information via your smartphone

## Package Service

- Unique pin code for package lockers sent via email
- Convenient 24/7 access

### Technology Package Pricing

**\$91/month**

The technology package is a **required resident program** and the monthly cost will be added to your rent statement. For questions or more information, contact our leasing team.

\*Optimum by Altice is the selected internet provider. Residents will be billed separately for any optional upgrades. Exact internet speeds may vary due to factors, such as device limitations and whether you're using a wired or wireless connection. For best results, connect directly to the wall port with an ethernet cable and device capable of the speeds. AvalonConnect technology package pricing varies by location.
